Board of Trade and School Officials
Contribute \$50 for Expenses—Pa-
rade to Be a Big Affair Worth See-
ing.

Everyone is "lining up" for the big educational rally which will be held in this city Saturday next, and the Board of Trade has voted \$25 to be used in defraying the expenses of the rally, and \$25 has been appropriated from the city school contingent fund, for the same purpose, and, as this money will be expended judiciously it will contribute much to the success of the rally. A barbecue will be a feature of the rally, and there will be dinner which will be worth while. It is the intention to provide a good supply of well cooked meat, and this part of the day's program will be given the consideration it merits.

The success of the parade is practically assured already, and it is probable that the parade of school children will be the largest ever seen in Maury county. A large number of school children are expected from the country, and with the addition of the schools in Columbia it is thought an

imposing parade will be witnessed when all are formed in line. The rally has been extensively advertised in the country as well as in town, and delegations are expected from all portions of the county.

The line of march has been considered, and the best course it is thought will be as follows:

The 360 pupils of the Athenaeum and the 225 pupils of McDowell school are to form at the Athenaeum at 10 a. m., and march down town on Eighth street to South Main, where the 300 pupils from Andrews school will join them. The pupils from the country will fall in line at some convenient point, increasing the procession to double the number it contained in the beginning. The procession will march around the square, and up Seventh street and return to the Athenaeum.

The program will be presented out of doors at the Athenaeum grove, and board seats will be provided, and everything possible will be done to insure the comfort of all who attend. In addition to the speakers already mentioned, will be J. H. Dinning, of this city. Mr. Dinning is not only one of the best orators in this section, but is also well informed on the subject of schools and educational matters generally. He was a teacher before becoming a lawyer, and what he has to say will be of benefit not only to teachers and pupils but to all who are concerned for the general welfare and advancement of the community, and that which shall tend to the highest order of citizenship.

Everyone is invited to attend the rally and devote a day to a cause which should be dear to all who are interested not only in the present but the future welfare of the State and nation.

Dinner Monday.

It is very unusual for The King's Daughters to appear before the public in a money making way except on Thanksgiving time when a large and generous contribution is always given them to be used in caring for the sick and unfortunate ones of Columbia. In Honor of Mrs. Pace.

Misses Nellie and Martha Williamson entertained the Cosmopolitan Club Wednesday afternoon, and their friend, Mrs. Eleanor D. Pace, of Corsicana, Texas, was the guest of honor. Seven tables were in use by bridge players, and a most delightful afternoon was enjoyed by the ladies. A tempting lunch course was a feature of the program.

Church Societies.

One of the most delightful social functions of the season occurred Wednesday afternoon at the home of Mrs. Rebecca E. McLemore, when she entertained the Church Workers and the Mack Missionary Society, of the First Presbyterian church, complimentary to Mrs. J. C. Molloy.

On arriving at the home of Mrs. McLemore the guests were welcomed by Mrs. Mary Meek and Miss Emma Frierson. In the receiving line were the following named ladies: Mrs. R. E. McLemore, Mrs. J. C. Molloy, Mrs. Lesey McLemore, Mrs. A. N. Akin, Mrs. Annie White and Miss Laura Andrews, representing the Mack Missionary Society.

The Church Workers were represented in the receiving line by Mrs. W. M. Chaffin, Mrs. Ernest McLemore and Mrs. Lena Caperton.

Dainty and seasonable refreshments were served, Mrs. Annie Leach and

Mrs. Mora Fariss having charge of this feature, assisted by Misses Luzzelle Hodge, Nellie Ashton and Sarah Leach.

The decorations were very beautiful and artistic, and in the parlor they consisted of old English ivy and golden colored autumn flowers, and gift bouquets presented by friends. The hall decorations were ivy and golden rod, and other pretty flowers of the season.

The skillful blending of green and yellow vines and flowers in the drawing room made a pleasant picture, and with the darkened rooms lighted by candles the effect was both impressive and beautiful.

The color scheme in the decorations was also carried out in the ices, frappe, cake and mints.

A very pleasant feature of the afternoon was two recitations by Miss Sue Todd Walker, which were delivered in the excellent and polished style which characterize all her efforts.

Both societies were well represented, and the occasion was a most enjoyable one to all present.
